24th May 2019

Dear Parents,

A short newsletter this week after a busy but thoroughly enjoyable half term for children and adults! We are so proud of how far the children have come on with their learning and development across all areas - well done to all!

A few reminders -

- Swimming - lessons will begin on the first Wednesday after half term (5th June). Please ensure your child has their swimming kit in school.
- Please continue to read regularly at home with your child and record any reading they have done in their reading records. It makes such a difference to children's progress if they practise reading at home to consolidate their learning.
- Now summer is here please make sure your child has sun cream applied before school (all day sun cream is recommended). If your child needs to apply cream in school, please name it and note your child must be able to apply it. Please also make sure your child has a named sun hat. We do have access to our

outdoor area throughout the day so we spend more time outside than other year groups. We will practise safe procedures on hot days limiting time, providing shade and increasing drinking breaks.

- PE kits - please make sure they are in school on Tuesdays - PE will continue as normal.
- Outdoor Learning - Even though the weather is improving, children still need to bring in suitable outdoor clothing each week especially **wellies**. We always spend time in the environmental area where the grass is long and often wet and whilst you may not mind them getting their shoes/trainers wet and muddy, they do need to have a change of footwear for walking around inside the school at lunchtime etc. therefore it is most suitable that they wear wellies. Also, children should wear long trousers rather than shorts to protect their legs.

We hope you have a super half term and the sun continues to shine!

Thank you again for all your support.
The Foundation Stage Team
