

BARROW 1618

A Church of England Free School

Issue 13: 3rd June 2019

I hope you have all had a fantastic half-term and are raring to go for the final half-term of the year, which promises to be as action packed as ever. Ahead of the return to school tomorrow, please remember to drive courteously and sensibly to and from school. Also a plea to make sure all clothing is clearly (and securely) labelled. Please could everyone also check through all items of school uniform you have at home to double check that nobody else's belongings have slipped in. In today's PD Day we discussed the importance of thinking about your own thinking and how important it is to monitor your strategies for learning and be aware of what information you are taking in. If any parents would like to learn more about this area then visit <https://cambridge-community.org.uk/professional-development/gswmeta/index.html>

A warm welcome to Miss Ellie Payne who will be taking over from Mrs. Wysome in the administrator role for the rest of the summer term. I'm sure you will all help Miss Payne feel part of the Barrow family almost immediately. A big thank you to Mrs Wysome for all your hard work and efforts.

The Wandering Wysomes will be taking over the celebration assembly this Friday to tell us all about their travels. However this goes beyond simply looking at holiday snaps. The experiences that the whole Wysome family had in supporting schools and charity projects around the world are amazing and I believe that hearing about these will serve as important life lessons for all our pupils.

Tomorrow sees the launch of our new dinner money system—sQuidpay. The instructions are in previous letters and also complemented by online videos, but if your child would like to have a school dinner and you need any support adding credit to your account then please do get in touch. No doubt we will encounter a few teething problems along the way despite our best efforts, but I'm sure there will be nothing that cannot be solved.

Car Park Rules

- Please drive clockwise around the car park.
- Reverse into spaces
- Keep your speed under 5mph
- Do not park in front of gates or block people in.
- As space is limited please park considerately
- Drive around the car park before entering the 'overflow' car park.

The final week of half-term saw sporting exploits from many different fields. Our rounders team continued to represent the school well in the event at Oldbury Wells, whilst we took a team of cyclists to John Wilkinson school to enjoy an afternoon of competitive cycling. Finally a group of our pupils entered the Olympic / Paralympic festival at William Brookes and came 2nd overall. A huge well done to all involved.

Finally, here are the key dates for the diary for next half-term:

Tuesday 4th June—First day of term and start of new school dinner payment system

Friday 7th June—Wandering Wysome celebration assembly

Wednesday 12th June—School photographs
