## Year 11 exam revision sessions

Dear parent/carer,

We hope that your child has been preparing diligently for examinations that have taken place so far and remain calm. We are happy to support where you have concerns about your child's time management, revision skills or stress levels. Please do not hesitate to contact your child's tutor in the first instance if you have any concerns.

Many exams will take place after the half term break. To support your child in succeeding in these exams, we have reorganised our timetable so that they have revision classes prior to the exams. Attendance to all exams and revision classes is compulsory and your child must attend. Teachers will cover important content and help to provide support about exam skills.

For sessions that run P3 and P4, pupils will enter from the Villiers Road gate which will open at 10.35am and close at 10.50am. Their sessions will start promptly at 10.50am.

For sessions that run P5 and P6, pupils will enter from the Villiers Road gate which will open at 1.05pm and close at 1.20pm. Their sessions will start promptly at 1.20pm.

They will register in the canteen for all classes and meet their teachers in the canteen. Teachers will then take them to relevant classrooms for the revision classes.

Please discuss this timetable with your child and ensure they attend the sessions on time. They must be in school uniform as normal, along with wearing lanyards for these sessions.

Thank you in advance for your support.

Yours sincerely,

Mr P Bhatt  
Deputy Headteacher
