Executive Headteacher – Mrs. M. R. Buckley

Head of School – Mr. R. Bhatti

Dear Parents and Carers

From September 2020 relationships education will become statutory in all primary schools in England and the government guidance recommends that age-appropriate sex education is also taught. Health education will also become statutory in all state funded schools (Yew Tree and Mather Street are state funded schools).

For our schools very little will change because we already use a high quality, up to date scheme that the children enjoy. We always tell you what is coming up through our year group newsletters.

I have looked at the new guidelines and recommendations and written a draft policy that I would like to consult you on.

On Wednesday 12th June the conference room (near the main office) will be open all day so that you can look at the scheme and read the proposed policy. Staff will be on hand to answer your questions and write down any comments you would like to make.

Please do not worry about any of this, as I already said we will continue to use our existing plans and answer children's questions as and when they arise, always keeping you in the loop.

Yours sincerely

Martine Buckley
EXECUTIVE HEADTEACHER

National Support School
designated by

National College for
Teaching & Leadership
