**Year 6**  
**Production Costumes and Props**

Dear Parents/Carers,

Rehearsals for our end of year production are well underway! We are really impressed with the children's positivity towards this.

The list below gives some suggestions as to costumes for our performance. If you are able to provide a suitable costume for your child this would be very much appreciated. However, if you are unable to source a suitable costume please let us know as soon as possible. If you have clothing that might be suitable for others, we would really appreciate these. Please label these items clearly so that we can return them afterwards.

Please could children bring their costume in on a named coat hanger by **Friday 28<sup>th</sup> June.**

Please also see below a list of props which we will be needing. If you have any of these props, we would really appreciate them to be labelled and brought into school.

A reminder that the show is on **Tuesday 9<sup>th</sup> July and Wednesday 10<sup>th</sup> July 2019** starting at 7pm. A letter about tickets will be coming out soon.

Many thanks for your support and helping your children to learn their lines and lyrics- we really appreciate it!

Mrs Pollitt and Miss Gibaud
