

English

In guided reading we continue to read a range of books. Please ensure that you read daily at home with your child. In our writing lessons we will be exploring Roald Dahl books; The Minpins and Fantastic Mr Fox. We will be developing our story writing.

Maths

We are starting the new term exploring statistics, collecting and interpreting lots of data. We will also be carrying out lots of mathematical investigations to

revise addition and subtraction
RE ready for Year 3.

We will be exploring different faiths and their main values, such as Islam and the Five Pillars. RE gives us the

opportunity to reflect on our own beliefs and values too.

Curriculum Overview Year 2 Summer 2

Creative Arts

We are learning two songs for a performance for parents. We will also have lots of opportunities to develop our drawing techniques as part of our topic learning.

Computing

We continue being Internet Legends, exploring how to stay safe on the internet. We are also using the I pads and Chromebooks to use mathletics for extra maths work.

Our final theme of the year is, Changes. We will be reflecting on how we have changed this year as well as the changes we are anticipating with moving to year 3.

Science

We have really enjoyed learning about animals so we are going to continue to learn even more about animals as well as investigate how plants grow.

Topic

Our new topic is Britain at War. We will be developing our learning and understanding from when we explored the Home Front. We will be finding out how the war affected our local area and what impact the war had on the country once it was over.

Our indoor PE is dance and is every MONDAY. Our outdoor PE is athletics and Sports Day every WEDNESDAY. Please ensure PE kits are in school for both days.
