

ENGLISH

We will be reading 'Rooftoppers' by Katherine Rundell and using it as a theme to complete activities that will develop fiction writing, starting with character and setting description.

In reading, we will continue to work on comprehension of both fiction and non-fiction texts.

Later in the term we will move on to writing poems themed on the children's memories of the school.

GEOGRAPHY

We are returning to geography this half term. Year 6 will be investigating different geographical techniques such as sketch maps.

RELIGIOUS EDUCATION

In RE, the children will be thinking about, and exploring, how people draw on their faith to help them live through good times and through hard times.

DESIGN TECHNOLOGY and ART

Following our Africa theme, we will be looking at different African fabrics before using their influence to weave pieces of our own. In art we will be creating portraits.

Africa

What is different about Africa and where we live?

MUSIC

Music in the Summer term will be themed around 'You've Got A Friend' by Carole King

P.E.

We will be practising athletic and fielding and striking skills. We will be working outside as much as possible.

COMPUTING

In the summer term, the children in Year 6 will be improving their understanding of computing by creating a text-based computer adventure game.

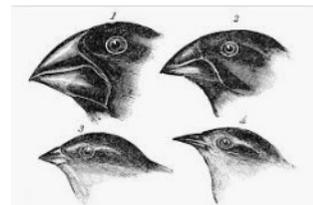

MATHS

We will complete our work on statistics before moving on to answering reasoning and problem solving questions from across the curriculum to help prepare the children for secondary school.

SCIENCE

In science, we will complete our work on evolution and inheritance before moving on to complete projects where the children can show what they have learned about scientific thinking. .

FRENCH

We will be learning vocabulary associated with furniture and using this to compose sentences which include prepositions. We will then move on to travel and holidays.

PSHE

In PSHE, Year 6 will be considering what a healthy mind is, and why it is an important to your general health. We will then look at how children can keep themselves safe.
