4th June 2019

Dear Parents/Carers.

We have arranged two netball matches between Chudleigh Primary School and Chudleigh Knighton Primary School on **Tuesday 25th June 2019** from 3.30PM-5.30PM. One year 5 team and one year 6 team. The teams are mixed boys and girls but we are only allowed two boys per team under the current rules.

We would like the children who attend the Tuesday netball training club after school to be involved with the matches but if there are any other children interested please also put their names forward. We're looking for four extra players, ideally two from each year group. It would be good to get any extra children to at least one training session before the matches where possible to go over the rules and practice (Tuesdays 3.30PM-4.30PM). Please respond using School Gateway stating whether they can attend any training sessions before the matches on **25th June 2019**.

The games will be High 5's netball, slightly different to normal netball (2 main differences; 5 a side and cannot use arms to defend a ball). Please see the rules via the link;

<https://www.englandnetball.co.uk/my-game/high5/high-5-in-schools-2/>

Children will be transported via school minibus with Ms Einzig and Nikki Bustin at the end of the school day and brought back for approximately 5.30PM where they will need to be collected from school unless we are notified in writing that they can make their own way home. They will each need their PE kit and suitable trainers in school and have an extra water bottle, warm jumper/sun cream depending on the weather.

Many thanks in advance.

Nikki Bustin and Kate Einzig
