

FOSPs TEA TOWEL PERMISSION FORM

FOSPs are arranging for an end of year tea towel to be printed with all the children's self portraits on, like the example below through a fundraising company we use. As this will require the use of your child's name, we request your permission. The data used will be your child's name and year group but only the first name will be printed on the towel and maybe initial of their surname if there are two children with the same name in a class, along with their self portrait. This data will be passed from the school to our PTA, FOSPs and FOSPs will destroy this data on completion of the project. The fundraising company that will receive the information is "Class Fundraising", whose Privacy Policy information can be accessed here: <https://www.classfundraising.co.uk/privacy-policy/>.

N.B Without permission, your child will NOT feature on the tea towel.

Order slips will come home at a later date before the end of term. Thank you.

PLEASE RETURN THE SLIP BY TOMORROW. THANK YOU.
