Welcome to our school...

We are a wonderful little school and are looking for someone to join our team, our children would someone who is/has:

“Kind” “helpful” “a good listener” “has a good sense of humour” “knows lot’s about the world”

Please take time to look through our website, we are a unique school with a strong outdoors ethos – the successful candidate will be expected to be happy working indoors or outdoors throughout the year in all weathers. Primarily the position is within our Year 4, 5, 6 class but in a small school versatility is important and the post will require working with all age-groups from Nursery upwards from time to time.

The post is advertised as temporary due to a recent rise in pupil numbers. However, it is hoped that the post will continue permanently after the first year.

Additional hours are available with 2.5hrs midday supervisor and some hours within our after-school club provision available.

Dean Barwick is a very supportive school and the successful candidate will be part of a close, hard-working team. You are welcome to visit the school or speak over the phone before applying, please get in touch with the office to make an appointment.

The hours of work are currently being planned but will be Mon-Fri mornings plus additional time each afternoon. These will be reviewed after the Autumn term.

If you have any questions, please don’t hesitate to get in touch.

We look forward to receiving your application.

Best wishes

Paul Macfarlane
