

English

In our English lessons this term we will be exploring the story of Cinderella. We will be writing descriptions of the characters and the setting which we will use when retelling our story. Following our school trip year one will also be writing a recount piece of writing. This will detail the events of the day and will be on display in our classroom.

Art and Design

During this term the children will be designing their own shield and creating one through the use of clay.

Physical Education

During our P.E lessons we will be preparing for sports day.

Summer Two Castles

History

In history we will be learning about the role of the castle and how it changed through history. In particular we will be looking at Kenilworth castle and the children will have the opportunity to visit here on our school trip.

Maths

In maths this term we will be exploring topics including place value (within 100), counting in 2s, 5s, and 10s, money and time.

Science

In the summer term year one will be focusing on the topic 'plants'. In class we will be planting our own cress seeds and the children will monitor their growth on a daily basis. Children will also learn about the key parts of a flowering plant and will be able to label these by the end of the term.
