

## ENGLISH

We will be continuing to look at telling stories.

This half term we will be looking at re-telling the story of Cinderella. We will be changing the characters and the setting of the story.

The children will also be writing some non-fiction reports about looking after animals found in the sea.

## Homework and Reading

Homework is given out every FRIDAY and should be returned on WEDNESDAY.

Please remember to read with your child as often as you can. Remember to sign their diary.

## MATHS

In this term the children will be consolidating and learning about the number system.

We will be working on:

- Multiplication/Division
- Fractions
- Positional language
- Directional language

## ART

The children will design and make clothes to suit different weather types.

They will research their ideas and evaluate the finished product.

## **Year 1—SUMMER**

# **WEATHER & SEASONS**

## TRIPS/EVENTS

We will be going on a trip to a local farm, looking at the different plants and animals.

## SCIENCE

The children will be looking at weather and seasonal changes.

We will be keeping a weather diary throughout the term.

The children will be making water gauges and recording results.

## **Geography**

In Geography we will be looking at how the weather has changed and the effects on the environment. Children will write reports or make posters.

For example — water level rising and floods.

We will be comparing hot and cold countries.

## PE

In PE we will be learning about games.

We will be building on our skills from throughout the year, working in teams.

## Music

We will be learning how to play a range of musical instruments.

## PSHE

The children will be working on the topic

“ My money”

Where will be thinking about:

- How they might not always get what they want
- Where to keep money safe
- Why saving money is important
- How you can get money — from lots of different jobs.
