

Nursery 3 Home/School Learning Plan

These are the things we will be learning about this Summer Half Term.
Please help me at home.

Our older children will be going on a visit to the farm. We will be looking at the animals and going on a tractor ride.

In Nursery we will be enjoying lots of activities about the farm, including pretending to milk a cow.

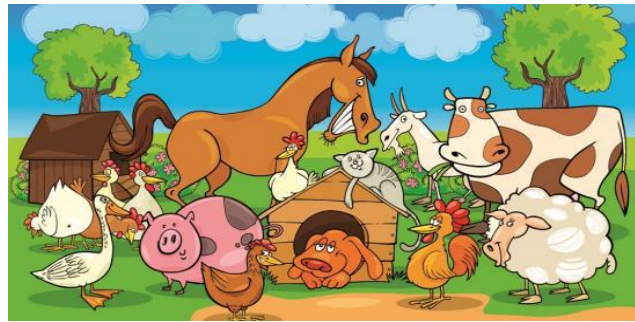

We will be looking at shapes in the environment.

We will be working together, listening to our friends and sharing ideas.

On the Farm

We will continue to explore the main events, characters and places in traditional stories.

We will be looking after our plants and tasting the fruit and vegetables when they are ready.

In Phonics we will be listening to and saying the sounds we can hear in words.
