Woods Bank Academy Summer 2- Year 3

SCIENCE

Plants

During summer term 2, the children will be learning about plants. They will look at the different parts and functions of plants and investigate their growth in different situations.

Investigation Skills:

During this half term, the children will be investigating how plants grow. They will learn how to record their investigations, using bar charts and tables, and determine what their results mean.

MATHS

In our summer term 2 maths lessons, we will be focusing on the following topics:

- Times tables - continuing to learn our 3, 4 and 8 times table.
- Fractions - the children will be finding fractions of shapes and amounts. They will relate division and multiplication to finding fractions.
- Problem Solving - using our skills in maths to solve problems and reason how we have done it.

PSHE / SEAL

SEAL lessons provide the children with skills that can be applied to everyday situations. Our topic for summer 2 is Changes. The children will discuss the different changes that they have experienced over the past year and think about how to cope with changes in the future e.g. new teacher in Year 4.

Topic

We will study **Britain at War** topic this half term.

Our children will focus on the aspects of The Home Front and what happened in Great Britain during WWII.

The children will learn about rationing, digging for victory, evacuations and air raids. They will consider how the war has impacted on the present day.

PE

Our topic for summer term 2 is:

- Sports Day practise
- Multi-skills

Please note that this is subject to good weather. **Please send in PE kit on Monday** and we will send it home to be washed on a Friday.

ADDITIONAL INFORMATION.

Spellings are given out on a Friday to be learnt. Reading books are also given out every Wednesday to be read at home and discussed. Please send the reading journals back to school with the reading books every week. The children will have weekly maths and English homework to complete. This will also be sent out on a Friday.

RE

In our RE lessons, we will be focusing on the theme of:

- Why Holy Books are important- They will explore the different holy books and how they are important to different religions.
