

Year 6 Residential

What a weekend it was for our Year 6 children and their teachers! Their Residential Trip to Windmill Hill was a fantastic three days full of fun, laughter, courage, amazing feats and plenty of sweets. The bonds that were formed and the memories made will stay with them forever. I would like to thank all of the children for representing our school in such a fantastic way and I would especially like to thank Miss Murphy, Mrs Haffenden and Mr Haffenden who ensured the children were nurtured, encouraged and celebrated every step of the way. Please see the website for more memories.

Our Pond Area....

Following the ideas that some of you sent in, we are now going to start planning the development of our pond. We are hoping to extend the area and create three learning zones. We will create a timetable, detailing when specific jobs will be done, giving everyone the opportunity to volunteer and come and join in. Watch this space.....

Big Thanks

We would like to say a very big **Thank You** to Tina Miles, her family and Jackie who have been working tirelessly to make our school beautiful. They have transformed the area by the side gate with some lovely pots and have been clearing our pond area. They have made some very exciting discoveries, including our very own slow worm.

Capel Stars

We have two very special Capel Stars in Mrs Walton-Wallace and Roz Coley who have completed another triathlon on our behalf. They have trained and competed to raise money for our playground project and we couldn't be prouder or more grateful. Thank you ladies for all you have done.

Year 2 Trip to Leeds Castle

Thank you to everyone who supported Year 2 on their fantastic trip to Leeds Castle this week. They had lots of fun dressing up to retell the story of the castle, had their very own guided tour and enjoyed playing in the rain. Please see the website for more details.

Congratulations

We have some sporting superstars in our school that we would love to shout about.

Millie from Year 6 has played cricket for Kent Girls and they won all four matches. In a district game, Millie gained over 20 runs and 1 wicket. Fantastic achievements!

Alexander in Year 2 competed in the US Kids European Golf Championships during the half term. Fifty-seven countries took part, and over 600 children. There were 41 children in Alex's category, and we are so proud that he came 3rd! Alex spoke on local radio about his love of golf too. What a truly amazing achievement.

If you know of any other great achievements outside of school, please do let us know, we would love to celebrate with you!

Author Visit

Year 6 were invited to listen to renown author Will Mabbitt. They heard his very powerful message regarding his 'Don't Worry' approach to writing. What an inspiration!

Important Dates:

- 12th June—phonic screen in Year 1
- 18th June—EYFS Induction Evening
- 19th June—Enrichment Day (wear Sportswear)
- 21st June—EYFS Stay and Play
