Subject: Plant Sale - Friday

Dear Parents and Carers,

Brooke who is in Year 2 has been inspired by the After School Gardening Club she attended here at school. She has planted lots of seeds and has lovingly tended the plants to the point they are now ready to plant out. Brooke will be selling the plants on Friday after school in the playground and will be very generously donating all the money to the PTA fund towards the 'playground equipment fund'.

Please support the fantastic effort she has made and the hard work she has put in.

Kind Regards

Office Team
