Subject: SUMMER FETE

Dear Parents and Carers,

As you can probably imagine the organisation for this year's summer fete is well underway. With only a few week left before the big event we are looking at all the stalls and working out how many more helpers we still need. Thank you to anyone who has already offered to help, but if any of you haven't yet come forward and would be able to help on the day it would be very much appreciated. Even if you are only able to give an hour of your time it would be amazing.

We want this year's summer fete to be a big success and make lots of money towards some new play equipment in the playground for the children so your help and support as always is invaluable.

Please email if you can help in any way.

Many Thanks in Advance

Office Team & PTA
