Mrs Truslove writes:

We were joined yesterday by The Image Theatre Group who brought their participatory show 'The Selfish Giant' into school. The group worked alongside the children to produce a truly interactive singing and acting extravaganza, culminating in a wonderful performance. The story focussed on the themes of kindness and generosity, brought to life by the lovely costumes and set. Many thanks to the theatre group for joining us and many thanks also to the Friends for covering the cost. Photos will be available to view on the gallery on the school website very shortly!

Whilst you are on the website, don't forget to keep an eye on our school calendar for up and coming events. We aim to keep the 'Letters Home' section up-to-date, so any additional information can usually be found in there. You are of course still welcome to call into the office if not!

Mrs Barnes & Mrs Truslove

Next week in maths, Year 1 will be learning number and place value. Reception will be learning mental addition and subtraction. In English the children will be describing a journey, inspired by the story 'The Train Ride'.

It will be the final week of the 'pirates' topic.

The final topic of the year will be 'Out and About' which will cover all outdoor adventures including train rides, bus journeys and the seaside. The topic box is very sparse if anyone has any books they could spare we would be very grateful, thank you.

Mrs Gibbins

In our science work we are doing a different experiment each week. This week we made slime to look at liquids and solids. The children really enjoyed it. I'm not sure the cleaner did though!

Thank you for all the felt we have received so far. If anybody has any scraps of material spare we will gratefully accept it.

Homework is in the blue books.

Mrs Pickles and Mr Wilkinson

Reminder: Year 4 need their recorder (if they have one) for Tuesday morning
Years 4&5 swimming on Wednesday.

In Maths we will be continuing to look at errors found in the recent assessments and word problems.

Homework

There is no spelling homework sheet, grammar homework or maths task this week to allow more time for Years 4 and 5 to prepare their 'Where in the World?' presentations.

Please note that Spelling and Times Tables Tests will carry on as normal.

We have tested all of the children in Years 4 and 5 on the first 100 High Frequency Words and any errors they have made have been noted in their homework diary for them to learn; they will be tested again on these next Friday.
