Loving Valuing Respecting

Friday 7th June 2019

Dear Parents,

Welcome back after the half term break. This first week has already been busy – classes are beginning new topics, practising new skills and applying what they already know. Year Six visited the Greater Manchester Fire and Rescue Service training and safety centre in Bury on Wednesday of this week. They had an incredible time – responding to emergency situations and how to keep safe. Next academic year other classes in KS1 and KS2 will have the chance to visit the centre. The class teachers are planning how we can bring more of your children's learning to life through enriching the curriculum even further here at St Michael's!

Mini Vinnie Prayer for June

Lord, we pray for your people throughout the world. For those in need, Lord help them find new strength. For those who are ill, may they feel the comforting love of Jesus. For those who have lost important people in their lives, may they find hope and courage. For all the pupils of St Michaels, that they will find the last half term in their present classes rewarding and exciting. Amen.
