

# Weekly ParentMail - 17th May 2019

Dear Parents/Carers, please find below information for all classes. Thank you, School Office.

## Year 6 SATs

Well done to Year 6 pupils for their excellent attitude this week. It has been a pleasure to serve them their breakfast at the breakfast club, with all children displaying manners and respect towards staff and each other. They have shown great maturity during the tests and hopefully, when the results arrive in July they will get the outcome they deserve.

Thanks also to the Y6 staff who have done all they could to prepare the children for this week, the staff who helped set up and serve the breakfasts, the volunteers, teaching assistants and governors who came in to support staff in administering the tests and to the teachers across school who adapted their morning lessons to account for the fact that we had to 'borrow' their TA for the first lesson each day. A special thanks to Cave Castle for supplying all the breakfast food and drinks for the children.

Mrs Newby

## East Riding Schools Under 11's Football Team

I have been informed that the East Riding Football Team competed and successfully won the Yorkshire Schools Cup in Leeds at the weekend. Jools J in Y6 was a member of the winning team. Well done and congratulations Jools and the rest of your team!

## Request from our School kitchen

Kitchen staff have noticed that their cutlery is becoming depleted. If your child has a packed lunch could you please remember to provide them with the cutlery they will need (e.g. fork for pasta, spoon for yogurt). Could we also politely request that if your child has borrowed cutlery from school, and accidentally taken it home, could you ensure it is returned to school the following day.

Thank you

## Library Visits

All the classes in Key Stage One have enjoyed a visit to South Cave Library this term and in the Spring Term. We are very grateful to Robyn Allen who has opened the library especially for us on a Friday afternoon, to enable these visits to happen. The children loved having a special story time, followed by some activities and a tour around the library. Each child was given a form to fill in to join the library - please encourage them to do this! All our "must read" books for each year group are available there, as well as of course, a large variety of other books for the children to explore.

We do want these visits to continue and the more we use the library, the more regularly these can happen. Watch this space Key Stage Two!

Thank you for your support, Mrs Smalley

## Church Visits

The children will be attending church on the following dates. Please could you ensure that your child has a coat/raincoat in school so they are appropriately dressed to walk to church.

**KS2 Tuesday 21st May, 9.15am**

## Class Assembly Invites

**Class 2 Wednesday 22nd May**

**Class 3 Wednesday 19th June**

**Class 1 Wednesday 3rd July**

Parents/Carers, you are invited to come and watch a preview of your child's class Assembly before they perform it to the whole school later in the morning. Refreshments will be available from 9am in the Community Room.

## Scooters on School Site

Please could you remind your children to walk with their scooters once they arrive on school premises. We have once again had parents complaining that children riding scooters are running into them and their toddlers at the start and end of the school day. Thank you for your cooperation in this matter.

### School Clubs

Please can you ensure you let the school office know if your child no longer requires their place on any of our school clubs or if they will not be attending a club on a particular week. Mr Walker keeps registers and if children are not turning up for a club it is a safeguarding matter. We appreciate your support with this.

### School Trips

#### EYFS & KS1—Bridlington

Deadline for consent, contributions and lunch preference MONDAY 20th May.

#### Y3/Y4—Hands on History Museum

Deadline for consent and contributions WEDNESDAY 22/05/19

#### Y5—Robinwood Residential

All payments to be made by 03/06/19

### Allergies in School

Within our school environment, we sometimes have children who have different allergies. This currently includes some children with nut allergies. In order to control this situation, we would therefore ask that no food is brought in to share with classes that contains nuts.

In addition, we would also ask your support with this when preparing your child's packed lunch. Thank you for your support and understanding.

### Dinner Money Accounts

Please could we politely ask that all dinner money accounts are in credit. The school budget cannot sustain any level of debt. We appreciate your support with this.
