Church of England Vision for Education

Deeply Christian, Serving the Common Good.

John 10:10 "I came that you might have life, life in all its fullness".

Bredhurst Church of England Primary Vision:

To learn and grow through the guidance and love of God.

Self Control

Perseverance

Inclusion

Respect

Inspiration

Trust

Dear parents and carers,

Welcome back after the half term break!

Term 6 is always a manic term with lots to fit in. Sports day, sports week, leavers disco and end of year trip which all certainly help to keep us busy.

Next week our year 1 children will take part in the phonics screening, this is a fairly informal assessment. However the results are sent off to the DfE and we will be sent the % of pupils who have passed.

The end of year reports in July will have EYFS, Phonics, Year 2 and Year 6 assessments within them. These will be printed on a separate sheet. We do not get these results until 9th July so will aim to get them to you as soon as we are able to after that date.

The children have had a super time during 'outdoor week', slightly hampered by the torrential rain all day on Wednesday! The children have enjoyed: den making in the woods, mini beast hunting, big art using natural materials and leaf identification. The weather unsurprisingly did not bother them at all—for some it seemed the wet and muddier the better!

The netball team played in a league match after school on Wednesday and won 27-2!! Fantastic shooting by Samuel Jackson and a brilliant team effort.

We also took part in an athletics tournament at Greenfields, with a year 3 + 4 team and a year 5 + 6 team. All children participated well and we came home with 4 gold medals! Oscar Colyer—400m, Harry Shepherd—400m, Lucas Cameron—100m and Myles Cox- long jump. The year 5 + 6 team finished 2nd overall.

Our year 6 children took part in the Safety in Action on Thursday which they thoroughly enjoyed and our 2 teams came 1st and 3rd out of all the teams for that day.

Next week we will be holding our Father's Day Breakfast—do note the change of date from Friday to Wednesday 12th June. The gift sale will still go ahead on Friday 14th June.

For Year 5 children wishing to sit the 11+. Registration for the Kent 11+ is open from **3.6.19** and closes on **3.7.19**. The Medway registration for 11+ is open from **3.6.19** until **1.7.19**.

Finally, I'm pleased to inform you all we have appointed a new caretaker: Mr Ian Clarke who started with us this week, he has a pre-booked holiday next week, but you will see him around school the week after!

A massive thank you to Mr Sage who voluntarily has helped with training Mr. Clarke, showing him all the ropes and has also continued to maintain the swimming pool, even during half term and opened the school for us for the past week. We couldn't have managed without you! On behalf of the whole school—thank you.

Best Wishes

Michelle Cox

Head Teacher

Some children are bringing in Pokemon cards, whilst we will allow children to bring them in we will not get involved in any disputes over swaps or missing cards. If this starts to occur the cards will be banned.

This term the children have been introduced to an exciting new initiative that is being rolled out across the school. The Zones of Regulation are a tool which help everyone understand their emotions and gives them a toolbox of ideas which they can use to regulate themselves when not in the “zone” to learn. Each class has discussed the four different zones. -Blue, green, yellow and red. The children know that being in the green zone is where they will learn best. They are not “naughty” for being in the other zones, but that they need to be able to help themselves to get back into the green. Blue equates to being lethargic/tired, unwell or unfocused. Yellow is when you become excitable or irritable, maybe slightly out of control. Finally red, when we are out of control, angry and distressed. This is when we need others to help support our behaviour and give us strategies to calm before thinking about the consequences of our behaviour.

Some classes have used cartoon characters to help children relate to the colours. These include Minions, Mr Men and the characters from the film Inside Out. If you have any questions about the Zones please do not hesitate to ask your child’s class teacher, Mrs place or Mrs Cox.

Bredhurst Church Charity Shop—is closing from **Saturday 29th** June for two weeks for cleaning and decorating. Please do not leave any donations during this period or when the shop is closed. The shop will re-open on **Saturday 13th July** with a **Family Fun day from 12-3p.m.** at the Village Hall. There will be lots on offer for the children and many bargains in the shop. Full details of this event will be given to the children nearer the time.
