. Attendance – The Magic 97

Well done everyone! Keep up the good work!

The attendance percentage is being calculated on the number of children achieving the Magic 97%.

The averages: Week 1 – 91.4%

The winning class is Year 1 with 96.7% of children making The Magic 97.

Water

With summer fast approaching it's important to keep the children hydrated with **plain water** – All Saints' water bottles are available from the school office for £1 or any water bottle with a sports cap can be used.

Sun Cream

Please ensure your child is safe in the sun at school.

If you wish your child to use sun cream, please send it into school with your child's **name clearly written on the bottle** so it can be kept by the class teacher. Children will need to be able to **apply their own cream** under the supervision of an adult in school, as staff are no longer able to apply sun cream. There are sun creams available now that last all day, which you could apply in the morning before they come to school.
