COMPASSION COMMUNITY COURAGE CURIOSITY

Dear Parents,

Our newsletter is an important piece of communications between school and home and I want to take the time to make sure we have shared what we need to with you. Therefore, please accept my apologies that our full newsletter will be sent to you on Monday instead of today. I would like to thank you all for your strong support during our Ofsted inspection yesterday. Unfortunately we are unable to share findings with you until the report is published in approximately two weeks from now.

Myself and the Governors are working on our staffing structure for 2019/2020 and will inform you of this as soon as it has been finalised and staff have been advised.

It has been a day bursting with creativity! Do ask you child about their learning experiences today.

Best wishes

Sophie Westerwijk
