The constant quest for knowledge, learning and adventure...

Dear Parents, Carers and Governors,

Music Festival

Plans are now well under way for our first Music Festival next Friday, after school, between 4pm and 6pm. We are unable to start straight from school as Mrs Holland, who has been teaching music to the children, also works in another school and needs time to get here. Hopefully all the sound equipment will be working ready for her when she arrives!

You are welcome to stay on site, on the field, to supervise your children if you are already **here as part of Dad's Day**. **All children who are taking part in the Music Festival will be called back into their classrooms at 3.45pm so that we are together and ready.**

We are hoping for good weather so that you can picnic whilst the performances are taking place. Please do bring a picnic rug or chair so that you are comfortable as unfortunately we are not able to provide seating for everybody. The PTFA are also supporting this event with a licenced bar as well as serving tea and coffee, and there will be ice cream tubs available to buy for the children.

The Music Festival is free to attend and open to siblings, friends and wider family members. Any children not wanting to take part in the festival are also welcome to come and watch. **Please do come along and support our pupils... and pray for sunshine!**

Outdoor Disco

We were so lucky with the weather on Thursday evening for our disco. The majority of children attended and all enjoyed the event - we could tell the ones that had danced all the time as they were looking rather tired today! Photos of this event can be found on our website.

Dad's Day

My apologies if some of you did not receive confirmation of your time slots before today. Hopefully each class has now returned these as they were ready to go out on Wednesday as promised! We look forward to seeing you all in school next Friday.

Donation for Soft Toy Tombola

Just a reminder that the school is collecting donations of soft toys for a class tombola stall at the Summer Fair on 6th July. If you have any soft toys that are outgrown or no longer played with, please consider donating them to the school. Thank you.

Eco Bricks

We have had a few eco bricks handed in but not nearly enough for the project that we have in mind for them, for which we ideally need one stuffed and filled bottle to be made by each and every pupil at the school. **If you have not already started an eco bottle, it's not too late to do so.** Please encourage your child to participate in this project which promotes the reusing of non-recyclable waste and turning it into something fun and sustainable for the children.

Football Coach - Mr Howard

A huge thank you to our football coach, Mr Dan Howard, who has provided a wonderful few months of coaching at our school and who has also kindly donated a football goal so that his teams will be able to play in matches against other schools in the local area.

Mr Howard hopes to include more year groups in his football clubs from September and we look forward to developing skilled football teams throughout the school under his direction.

- Mrs B van Rensburg, PE coordinator

Attendance Ted and Punctuality Pup

This week, Attendance Ted and Punctuality Pup have both been awarded to Saturn class this week. Pupils have achieved the best attendance with 99.19%, and have had no lates recorded all week! Well done to Saturn class and please keep it up, this is a superb result.

Children's Baking Competition

At the annual Brogdale Strawberry Fair on Sunday 16th June, there is to be a children's baking competition judged by the Great British Bake Off finalist Jane Beedle. There are two groups - **under 8's and over 8's** - and children can cook anything they like as long as it involves strawberries!

There is a whole host of prizes up for grabs, and entry is free with a purchase of a ticket to the Strawberry Fair event. Please see the competition poster further **on in the newsletter for more details. It's a great opportunity to get your child excited about cooking!**

Raffle Tickets

On Thursday your child should have brought home with them an envelope **containing some raffle tickets in connection with this year's school Summer Fair** on 6th July. Please do consider purchasing these tickets or selling them on to colleagues, family or friends. There are some excellent prizes on offer at our fair this year and, even if you are unable to come along on the day, purchasing some tickets still gives you a chance of winning one or more of the prizes! If you need more tickets, please collect from the school office.

PTFA Corner

October Disco
