## Message from the headteacher

As we approach the end of the academic year, we are planning ahead and thinking about our priorities for improvement next year. We are inviting all those involved in the school to share their views - what do you think needs to be improved? Please access the survey using the link below to contribute your thoughts. <https://forms.gle/XgSY8Jg9NtAvofeL7>

In an attempt to further improve and develop communication we have set up a new Twitter feed - find us on [@BewickCps](https://twitter.com/BewickCps) and follow us!

Next week is 'Healthy Life Styles' week. We will be focusing our work on physical and mental well being, talking about what we eat and drink and how exercise is good for us. This is an opportunity to reinforce our water only policy and fruit and veg for snacks. Healthy snacks can be a carrot or piece of cucumber, a pot of raisins or an apple. Any fruit or vegetable, either fresh or dried, is suitable. Using a reusable pot is also kinder to our environment too. Thank you for helping us keep your children healthy. We have received data back from the national child measurement survey which suggests our children are more overweight than the average for Cambridgeshire. Over the summer we are having a path installed around the field and will be encouraging all the children to run 1K everyday.

## Art Club

We will be running an Art Club on Thursdays from 3.30pm to 4.30pm starting from 13th June to 18th July. There will be a cost of £6 for the whole 6 week course. The fee is payable before commencement of the course and slips to book your child's place are available from the office, there is a maximum of 12 places.

## Online Safety

### Free online safety workshop for parents and carers

Muddled by Minecraft or rattled by Roblox? NSPCC and O2 are running an hour-long interactive workshop with tips, tools and advice on how to keep your child safe online. Talking about online safety with your child doesn't need to be difficult - build your confidence to have those important conversations, get to know your child's online world and learn where to go for help and advice.

The workshop will take place at **2.30pm on Tuesday 18th June**. Don't miss out on this great opportunity! Make sure you RSVP by responding to [office@bewickbridge.com](mailto:office@bewickbridge.com) to book your place.

## Family Quiz Night

Tickets are on sale in the school office for our Family Quiz Night on Tuesday 18th June, from 5.30-7.30pm. £6 per team.

Teams should have up to 6 with a maximum of 4 adults per team. There will be rounds that are just for the children and questions that can be answered as a team.

Pizza will be available to order for delivery, please bring your own nibbles and drinks. You will also need to bring glasses/cups - we will provide plates and cutlery.

Bring along some change to buy raffle tickets and join in 'heads or tails'.

We look forward to seeing you for the Quiz.

## Thank you

Thanks to the hard work of parents who helped out with organising and running events last year, the Friends of Bewick Bridge have been able to contribute £2,000 towards new equipment for our playground. The children will love the traversing wall and story tellers chair. We plan to raise more funds this year so that we can order more equipment, to make playtime more interesting for all children.

## Reminders

Please remember:

- Water should be available throughout the day for children to drink. Children are expected to bring in a named water bottle with still tap water only - no squash, juice, fizzy or flavoured water please.
- Mid morning snack should be fresh or dried fruit or vegetables only.
- Jewellery should not be worn to school - except for plain, small stud earrings or small safety sleepers (that come off when a tugged) or a wrist watch - no Smart watches please. Earrings should be removed or covered over during PE lessons.

Please take care when picking up and dropping off your children. Please park away from the school to avoid blocking entrances and causing congestion. Poor parking causes a danger to our children.

## Quadkids Athletics

Yesterday 10 children from Year 5 and 6 represented Bewick Bridge at the Quadkids Athletics tournament at Wilberforce Road Athletics track. All the children can be proud of their achievements and their sportsmanship. We are waiting to

hear how we did overall.

Well done to Mikey, Ollie, Milan, Hayden, Gautam, Grace, Millie, Esme, Maree and Bianka.

Please remember we are a nut free school - we have children and staff with severe nut allergies. Please can you ensure that your child's packed lunch does not contain any nut products. It is especially important to check the ingredients of cereal bars.

Thank you.
