Introduction to Coding using Purple Mash
E-Safety

P.E/Dance

Athletics

Dance linked to sculpture work and 3D shapes - developing understanding of dynamics, shape and

R.E

Journey to Bethlehem

Project Ideas:

I would love to see some of your wonderful work from home. Please bring in anything you may do at home to share by Monday 8th July so that we can share them in class.

- Write an adventure story set or a poem in an unusual place
- Observe the shape of different buildings. Create some sketches of local and national landmarks or make 3D models
- Look at maps of places in the UK. Pick a place in the UK you would like to visit and find out more about it; you could present your information as a poster or a report
- Collect some data and put it into a bar chart or pictogram
