## Reminder

*Please ensure all clothing & PE kits are clearly labelled with your child's name.*

*Thank you*

Our Summer Fair takes place on 12<sup>th</sup> July from 3pm. We are looking for donations, for the raffle and tombola please. Also Cakes for the cake stand.

## Competition Results

Congratulations to Maisie, Erin & Tamzin for their winning designs for the invitations.

Prize Draw Tickets will be available shortly to buy and sell to friends and family. These will be sent home in the children's book bags soon.

## Class 1

Since half term we have been working hard on our art project to create a clay mural based on different parts of the school. We have looked at the shapes, textures and special places in the school and have each made and painted a square tile.

We are looking forward to our school trip later this term. We will get the chance to dress up as old fashioned school children and find out what school was like in Victorian Times.

## Class 2

We have had a busy 1st week back.

In maths we have been looking at different measurements and how to solve problems.

We have also started our persuasive writing project about our local area, thinking about what techniques we could use.

We are really enjoying learning all about Bridlington and hope to persuade people to visit.

## Class 3 by Raine

We have become reporters researching plastic pollution using various websites. We will be sending a report of our findings to Sir David Attenborough.

In maths, we are using graphs and created our own scatter graph & line graph.

In geography we are looking at the use of land in our local area.

In science we are looking at the characteristics of animals and plants.
