

# Summer 2019

## Newsletter 2

Welcome back to everybody, we hope you had a good half term break. With the weather hopefully getting warmer at last, we will endeavour to get the children outside as much as possible, so please ensure, as many of you already do, that children have sun cream applied in the morning and bring water bottles and a hat to keep them safe in the sun. The children made us very proud with their approach to their SATS last term and did everything that was asked of them. I am sure that with their hard work and the dedication of the Teachers and Teaching Assistants in school, we can look forward to a good set of results!

I would once again like to take this opportunity of reminding everybody about our school app. We are hoping that if all parents sign up to receive information from it, we can lessen the paper burden and communicate much more effectively and quickly with you all. It is available from the App Store.

Last term was short and focussed, but we still managed to fit in a visit to the Space Centre for Class 1 & 2 and also a French Day which the children thoroughly enjoyed. These days not only enrich the curriculum but provide a much needed alternative way of learning through more practical activities. I was very impressed at the learning shared in our assembly at the end of the day. This week has already seen us take part in the Tedder Tournament organised by the PTA and run by the PT staff at the gym, so a huge thank you to those concerned and also we have had a visit from Rob Hammond at Lincs FM who spoke to the children in Year 3/4 about their learning. The rest of the term is just as busy and so I would encourage you to keep a close eye on the dates included in this Newsletter.

Yours sincerely

Mrs Alison Crawshaw  
Headteacher

WEBSITE: [www.tedder.lincs.sch.uk](http://www.tedder.lincs.sch.uk)

I hope that many of you will have had the opportunity to look at our website and familiarise yourselves with the news and information contained there. Letters, menus, event photos, Topic Sheets, performance data and curriculum information are all available to keep you up to date with School life. Our Safeguarding Policy is available to those of you who may have concerns and will give advice on keeping children safe, together with other policies which will keep you informed such as the E Safety Policy.

Below are the important dates for next term but I would like to draw your attention to the following:

#### Class Assemblies -

Class 1	3 <sup>rd</sup> July
Class 2	5 <sup>th</sup> July
Class 3	4 <sup>th</sup> July
Class 4	1 <sup>st</sup> July
Class 5	2 <sup>nd</sup> July

These will be a real celebration of the learning that has taken place in each year group. Each class will take an assembly for the whole school and parents, which will commence at 9.15. The assemblies will be a showcase for all of the wonderful topics covered during the year and are always a pleasure.

**28<sup>th</sup> June - Transition Day** - All children will go to their new classes and spend the morning. It is an exciting day and children should attend on that day unless of course they are ill.

**17<sup>th</sup> July - Parent's afternoon/evening** - This year at the end of the Summer Term, we will be holding one parent's afternoon/evening. This will follow the children's end of year reports which provide a comprehensive picture of what your children have accomplished over the year and what their targets are for the future. We do not want to deter parents in any way from making an appointment, but the Parents Afternoon/Evening is designed as an opportunity for you to meet with your child's teacher and discuss any matters arising from the report which concern you. Once the reports have been received, if you have any issues that you would like to discuss before the end of the year, please telephone the office for an appointment.

**11<sup>th</sup> July - Summer Fayre** - This is a great event where the children from Class 5 have a mini project week and produce games and stalls which are fun for all of the family. They work out costings for the stalls and profit forecasts and organise and run the stalls themselves. We would welcome participation from anybody who would like to run a stall which included arts and crafts etc., simply let the school know what your requirements are. A fee of £5.00 per pitch will be payable.

#### Diary Dates

##### June

7 <sup>th</sup>	Pyjamarama day
10 <sup>th</sup>	Phonics Screening
10 <sup>th</sup>	Healthy Eating Week
12 <sup>th</sup>	Yoga visitor
