Our Newbridge Journey

Our enquiry is: Can we learn everywhere?

This means we will be learning about:

- The natural world
- What we can learn by looking carefully around us
- How we can help each other learn

The key skills we will be developing are:

I can make links in my learning and talk about them.
I can plan tasks and adapt them to achieve what I set out to do.

Mathematics

- Estimate, compare and calculate different measures, including money in pounds and pence.
- Read, write and convert time between analogue and digital 12- and 24-hour clocks.
- Interpret and present discrete and continuous data in bar/time graphs.
- Identify acute and obtuse angles and compare and order angles up to two right angles by size.
- Compare and classify geometric shapes.
- Identify symmetrical lines and patterns.
- Describe positions on a 2-D grid as coordinates in the first quadrant.

Geography

- Mapping skills

Music

- Class composition: Creating stimulus

Design Technology

- Building Shelters (Forest School)

Home Learning

- Termly homework tasks
- Ongoing spellings and multiplication tables
- Daily reading

British Values

- Mutual respect for and tolerance of those with different faiths and beliefs and for those without faith
