

## ENGLISH

In English this half term, we will be writing stories based on the Spiderwick Chronicles. The children will be looking at creating setting and character in the opening and build up of a story.

## MATHS

In maths this half term, we will be focusing on time, statistics and the properties of shape.

## RE

In RE, we will be learning what it means to be Sikh.

## Citizenship

This half term, we will be looking at managing choices. This focusses on alcohol, tobacco and drugs and the dangers and difficulties these pose.

## YEAR 4

## THE MAYANS

## SUMMER 2

## SCIENCE

Our science investigations this half term will be based on how sound is made and travels.

## COMPUTING

The children will be using Purple Mash to learn how to search for information effectively and to understand the different parts of a computer.

## HISTORY

Our topic this half term takes us to Central America a thousand ago.

We will be learning all about Mayan civilisation. The children will be finding out how they lived, their day to day lives, their industry and trade as well as their number system.

## MUSIC

This half term, we will be learning to appreciate and appraise classical music. The children will revisit songs and learn more about the history of music.

This half term, the children will be using what they have learnt so far this year and begin reading and writing.

## PE

In PE, we are continuing to learn about different athletic events in preparation for Sports Week!
