I would like to welcome everyone back after the holiday. We will all be wishing for better weather as we move toward school trips and sports day.

All our year 2 SATS have been completed, these will be part of the final Key Stage 1 assessment which we will know later in the term.

Thank you to everyone who came to the reception induction before half term. We are all excited to welcome the children for their two visits this half term.

We had a large number of donations on the last day, for the PTA bottle stall at the BBQ. We are having another non-uniform day on Thursday 20<sup>th</sup> when children can bring in something that will be a prize for the general tombola. The BBQ is on Friday 28<sup>th</sup> June.

Some of our children had a great time at an outdoor pursuits festival at the Anderton Centre. They were a credit to the school.

Please see below details re the Family Fun Day on Saturday at Prestolee Locks.

## **'Family Fun Day'**

**11am to 4pm - Saturday 15 June 2019**

**at Prestolee Locks & Meccano Bridge, Little Lever, Bolton BL3 1AB**

A free, action-packed, family fun day takes place from 11am to 4pm, on Saturday 15<sup>th</sup> June around the Meccano Bridge and the Prestolee Locks at Nob End.

It celebrates the recent project undertaken by our Year 5 pupils and other local Primary Schools about the Manchester, Bolton & Bury Canal.

Everyone from the school, their friends and family are invited to come and enjoy this event, try some new activities and enjoy music, food, crafts, art and heritage stalls. Canoeing, fishing, cycling, nature trails, water dipping, rock painting, greenwood skills and plenty more free attractions mean there will something for all ages to explore.

Our pupils and children from the other local schools will work together to design and build a large art structure across the canal. They will also display their own banners with positive messages about our local community and the canal.

The Family Fun Day at Prestolee Locks is just at the end of Boscow Road, Little Lever, Bolton, BL3 1AB.

There is no parking on site, so please respect the local residents by walking or cycling to the event along the improved towpaths.
