HERE'S TO SAFER ROADS

An update on our Armadale Drive One Way

Last night, parents, teachers and residents came together to discuss the roads around Armadale Drive, our new one way and dangerous parking. We talked at length on the issues that we share, and our shared desire for our environment to be safer and friendlier for everyone.

To make this happen, we all have a part to play. We'd like to ask you to take a moment this week to consider how you can contribute to a safer environment outside school.

By July 1, we should all understand that each of us makes a difference to the neighbourhood, and so we each have a responsibility to do the best that we can.

❁ WIN BOOKS FOR THE LITTLE ONES AND A TREAT FOR YOU ❁

Thank you to everyone that sent in copper coins for our penny drive. Congratulations to Mr Challoner's class who were our class winners - your treat will be making it over to you next week! Before we let you know how much we raised, we wanted to give you the chance to win, and further support our fundraising drive for road signage, sound good?

There are two competitions - one for the adults where you can win a bottle of wine, or 6 pack of beer; and one for the children where they can win a set of books. All you have to do is guess:

In last week's penny drive, how many individual coins were counted? Hint: it's less than 20,000 and more than 1,000!

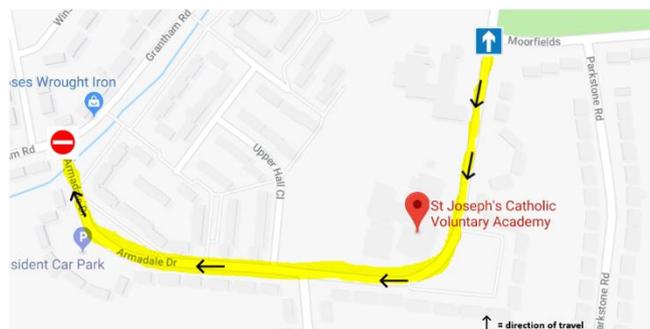

It's 20p per guess, and you can have as many guesses as you like! Closest to the real number wins. Send your guesses on a piece of paper with your name, class teacher with your entry money in an envelope and give it to your class teacher before Wednesday next week (19th June). **Good luck!**

One Way Confirmed for July 1

Our one way (right) will run from the junction at Moorfields/Armadale Drive, around school to the junction Armadale Drive/Grantham Road and apply to all vehicles during term time, between the hours **8am - 9am, and 2.45pm - 3.45pm.**

Do you feel you know enough about the one way and safer parking measures that we will put live from July 1?

[Let us know by filling out our parent survey by clicking here](#) (takes 1 minute).

SHOW YOU CARE,

PARK ELSEWHERE

**AND PLEASE
PARK SAFELY!**

**PARKING ON CORNERS, KERBS AND
PAVEMENTS ENDANGERS OUR CHILDREN!**
