2018/19

School Matters!

Current Attendance Update (Final figures for Summer 1):

Rec	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
96.9%	97%	94.2%	94.7%	95%	94.9%	93.3%

Well done to Year 1 who have won the £50 prize for Summer 1 half term. They are currently deciding what to spend their money on! Well done too to Reception who were a very close second and also achieved above 96%!

We're planning to hold our Sports Days this year (though the weather may have other ideas) on the following days:

Year 1 to Year 6 on Tues 18.6.19 starting at 1:30pm on the school field
 EYFS (Nursery and Reception) on 27.6.19 starting at 1:30pm on the Early Years outside area

You are very welcome to come along and watch! We will be continuing our tradition of mixed teams (children from the same family together where possible) competing to score the most points and earn our Gold, Silver and Bronze medals!

Watch this Space!!

Thank you for your support with our trip to Jodrell Bank. The children had a fabulous day out and very different experiences that they will remember for some time.

Online Accounts

We already have online banking for you to pay school and Kidz Club so that you can keep a track of your payments and invoices.

From September we want to move to a cashless payment system so that everyone pays online. This will enable all our families to keep a track on exactly what they have paid for, how much they have paid and when they make payments.

Online banking will ensure you keep track of every payment you make.

Community Day

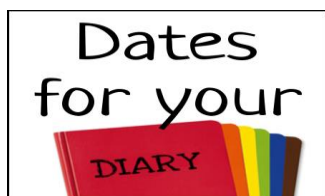

Our popular, end of year, open school day, is fast approaching.

This year it will be on Friday 12th July starting at the earlier time of 1pm.

To support us in this event we are having a **non-uniform day on the 28th June.**

Children are asked to contribute a **£1 to wear clothes of their choice.**

The money will be used to buy resources and prizes for Community Day. Thank you.

<i>Parents new to nursery meeting. In school.</i>	11/6/19. Starts at 6pm
