

FAIRFIELD WEEKLY NEWS

Wednesday 12th June 2019

Summer Fair after school this Friday and non-uniform day in return for cake from Reception/Nursery and bottles from Y1 to Y6 (alcohol to be handed in at the school office).

Name of child _____

Summer Fair

Our Summer Fair will this year take place **after school** this Friday 14th June 2018. We look forward to a nice evening. As always we are grateful for any volunteers who can help make our event a success. Please let Mrs Horton know if you are able to help out. If anyone has anything they are willing to donate for our raffle or tombola stalls we would be grateful. There will be one more non-uniform day to support this event:

Friday 14th June - in return for cake from Reception/Nursery and bottles from Y1 to Y6 (alcohol to be handed in at the school office). Thanks.

Piercings

Our Uniform and School Presentation Policy is aimed at keeping children safe and ensuring that children arrive at school ready to learn. We have a new craze for increased ear piercings. This is already detracting from work due to arguments following comments made by other children. They also pose a health and safety risk when children are playing or participating in PE. May I respectfully remind parents and carers that earrings are dangerous and not allowed. The governors have agreed that small non sharp studs can be used to fill pierced holes but must be removed for PE/swimming. If this is not possible a plaster to cover the ear should be brought from home.

Booking Owl Club

We are ending our manual bookings (i.e. Queuing at the office) at the end of this school year. We are now using the SCOPay system for **bookings**. A letter has been sent home with details of how to use this (please ensure that you say no when it asks you to use the mobile version of the website). Unlike High Schools we cannot afford for SCOPay to be used for payments.

All School Payments

All payments e.g. school dinners, Owl Club, school trips, milk and nursery fees will be made through "Pay for it" (accessed via Bury Council website). A letter has been sent home with details of how to use this.

We would encourage everyone to book/pay by these methods as much as possible. Administration time is involved in the current cash system and our budget crisis means that this needs to be reduced. Eventually we aim to become cashless.

This Week
