### Year 4 Enterprise Event

Well done to Year 4, our budding entrepreneurs, who made a range of bath products in lovely packaging as part of their 'Potions' project. With persuasive adverts and promotional materials, the children proved to be very persuasive salespeople when parents/carers and relatives joined us for the express event.

### Mountain Explorer Academy

To launch their geography project on mountains, Year 4 entered the Mountain Explorer Academy for an action packed day of learning and activities. Delivered by an experienced mountaineer and expedition leader, the workshop was a mixture of short, interactive presentations and hands-on activities in small teams.

### Success in the Spelling Bee

Copley Junior's Spelling Bee was a great success - and a lot of fun too!

A huge well done to our spelling bee competitors from every year group and also to our enthusiastic pupil audience. We saw a very tightly contested competition with six rounds before a single mistake was made and a record-breaking eleven rounds in all.

We look forward to sharing more school news next month.
