

Year 3/4 Homework:

To be completed by Monday 15th July

1. This term in Literacy, we are looking at William Shakespeare. Your task is to create a play prop for either a Shakespearean play. You need to consider if the play is a tragedy, a comedy or a historical piece. Think of how your prop is important to the play you have thought of. Or you can create a prop from a Shakespeare play that has already been written. Be as creative as you want! Then you can write the play script from the scene that it is from.

2. Design and make a collage which includes features of either a Tudor or Shakespearean character. E.g Macbeth or Jane Seymour.

3. In our science this term, we will be looking at animals and minibeasts. Explore the environment around where you live and investigate which mini beasts live around you. Record this in any way you want e.g. bar chart or photos.

Please let your teacher know if you need any resources for your topic homework. Completed models will be displayed in class.
