Dear Parent/Carer

13th June 2019

KINGSWOOD RESIDENTIAL; Wednesday 13th to Friday 15th November

We write to you offering your child the exciting opportunity of a 3 day (two night) residential trip to Kingswood Centre at the Peake Venture site. This trip is open to children who will be in **Year 6** next school year.

The total cost of the visit is £100.00 which includes return travel by coach, full board accommodation and a full programme of activities. We make no profit from any visits, this cost is based on the charge being made to us by the centre and transport company.

This is a visit that we've run before and educationally and socially the trip proves enjoyable and very worthwhile. Peak Venture is now established as one of the area's leading residential educational activity centres, situated on the doorstep of the beautiful Peak District, near Sheffield. It features refurbished student dormitory accommodation.

We have chosen the "**Adventure**" programme which is designed to meet our chosen learning outcomes of **Resilience**, **Self-confidence** and **Team work** and we have selected to include activities in the **Get active** and **In the air** categories which are suitable for children in Year 6. With action, energy and challenges at every turn, our pure adventure programme encourages team building and physical exercise. This programme offers a wide range of exhilarating activities.
