About me

I have two daughters, the eldest of whom is a pupil at St James.  
I have a degree in Agriculture from Reading university and I run a diversified arable farm near Lichfield.

Why I am a member of the LAC at St James

My family have lived in the area for over 100 years and many were taught at St James. I feel a very strong bond to the local community. From the day our daughter started we have loved the school and I am proud to have the opportunity to support the wonderful progress being made by the Principal, Staff and LAC.
