## Year 6 Projects

Our current Year 6 pupils have various projects on-going at present, we have smoothies (75p), brownies (£1), key rings (£1.50) and leaflets (50p) all being sold within school. Please feel free to send your child in with a bit of pocket money to help fund these projects!

## Access to school

Please can we remind parents that access to school via the car park during drop off and pick up should only be used where absolutely necessary e.g. where you have a pram. Otherwise please can you use the playground entrance.

## Mobile App

In Summer B we are going to be moving away from text messages and e-mailing and instead using our new mobile app. Everyone who currently receives e-mails from school will automatically be sent a username and password for the app via the e-mail provided for Wednesday letters. In order to use the app you will need a smartphone. The app is completely free. Feel free to download it at your leisure; you will be able to access without a login initially! The app can be found by searching for 'webanywhere' on any app store and selecting 'School Jotter' – the image is that of a pencil.

Please let the office know if you do not have a smartphone or would otherwise struggle to access the app, as all communication will come through here in the future.

## Dates for 2019/20

Please see overleaf for the term dates for the next academic year.

Kind regards,
