

# Year 4 visit to The River and Rowing Museum, Henley on 4<sup>th</sup> June 2019

Year 4 visited The River and Rowing Museum for the day as part of our topic about rivers.

We took part in a workshop learning about the different parts of a river on its journey from source to sea.

We went on a guided walk along the River Thames to see some river features in real life.

We explored the museum to find out about the different ways the river is used.
