

## Sport Premium Funding 2018-2019

- This funding provided jointly by the Departments for Education, Health and Culture, Media and Sport requires schools to be accountable for its spending.
- The impact of the primary school sport funding on pupils' lifestyles and physical wellbeing are central to this process.
- Schools should be aiming to improve the provision of their PE and Sport and give all pupils the opportunities to develop their lifestyles.

<u>Department of Education</u>	<u>Health and Culture</u>	<u>Media and Sport</u>
		
The quality of PE and Sport pupils receive in schools	Opportunities to develop healthy lifestyles	Greater provision of school sport opportunities
Outcomes will be measured by the progress pupils make	Outcomes measured by the increase in opportunities for pupils to take part in physical activities	Outcomes will be measured by the participation rates of all abilities in schools

Funding received September 2018 - July 2019: c.£17,800

Total spend/planned spend September 2018 -July 2019: c.£13,000 (As of April 2019)

Carried forward from 2017-18: £305

Remaining funding 2018-2019: c.£5,000 (As of June 2019)

*The table below shows how the Sport Premium funding is being used to support the Intent, Implementation and Impact of PE at Pilton Infants' School.*

## Our INTENT:

### *All children to receive high quality PE learning.*

- Children need to develop the skills, correct techniques and teamworking attributes to allow them to enjoy and participate in sport and physical activity as they grow older.
- Children need to understand the benefits to their physical and mental health of taking part in sport and physical activity such as heart health, self-esteem, confidence, strength, flexibility, coordination and resilience.
- Children need to begin their journey towards being safe and confident swimmers, particularly living in North Devon.
- High quality PE learning supports high quality learning in all other areas of the curriculum creating more creative, independent and resilient learners.
- Staff need to receive high quality training in order to deliver high quality learning for all children.

How are we IMPLEMENTING this?	Cost	What is the IMPACT?
<b>Subscription to PEDPASS Level 2</b> Termly subject leader briefings covering: H+S, curriculum and school sport development, assessment. PE coordinator to feedback key information to relevant staff.	£250	PE coordinator up-to-date with 2018-19 developments in PE and funding.
<b>Real Gym training for 2 teachers and supply cover (30.10.18)</b> Planning and assessment resources and access to online portal with regular updates. Quality of PE lessons to improve through having new scheme to inspire and motivate both children and adults. Clear assessment of children's attainment and progress in PE.	£840	The two teachers feel more confident in delivering Real Gym. This is evident in lesson observations. The two teachers are also able to use the Real Gym online platform. They feel this improves accuracy of planning and assessment of PE.
<b>Subscription to Real PE/Gym online platform</b> Support teacher's planning and assessment.	£tbc	Children feel more secure with what they are trying to learn and are able to assess themselves and identify how they can improve. <b>Next step: Training for all staff on the online platform.</b>
<b>Subscription to Create Development Assessment Wheel</b> Assessment tool to evidence areas of strength and development for the school.	£36	PE coordinator, headteacher and governors able to quickly see areas of strength and development for the school.

<b>Attendance at School Swimming CPD course for PE coordinator (22.11.18)</b> PE coordinator to teach one swimming group alongside two Aquarius instructors.	£335	PE coordinator feels confident to teach groups of beginner swimmers. Able to teach two Year 1 groups for 10 weeks during the Spring term. This will reduce the parent contribution required.
<b>Subsidised transport, pool and instructor hire for Y1 and Y2 swimming</b> All Y1 and Y2 children to receive swim teaching from Aquarius swim school at the Barnstaple Leisure Centre. Swimmers to develop skills and confidence towards National Curriculum expectations.	£2200	All children made significant progress with early swimming skills.
<b>Topping up of PE equipment</b> Tennis balls, floor spots and hoops.	£250	All children have appropriate equipment for PE lessons.

**Our INTENT:**

***All children to have a wide range of opportunities to develop skills and knowledge for an active and healthy lifestyle***

- Children need to understand the importance of an active and healthy lifestyle, for both physical and mental wellbeing, to create the 'habit' of being active.
- Children need a wide range of opportunities to see the fun that exercise, sport and being healthy can bring to inspire them to keep being active.
- Children need a wide range of opportunities to find activities that they like and will keep doing for years to come.

<b>How are we IMPLEMENTING this?</b>	<b>Cost</b>	<b>What is the IMPACT?</b>
