Newsletter week ending 14th June 2019

Mrs Truslove writes:

Next week Yrs 5 & 6 are off on their residential – we all have our fingers crossed for better weather and hope that they all have a fantastic time. We will get daily updates in school which we will share on the website.

Please can I ask that if parents/carers need to come into the building at any time, including before or after school, that they come via reception and not through any other doors. Safeguarding of everyone on site is a priority and it is important that we know who is in the building at all times. Thanks for your support in this.

Mrs Barnes & Mrs Truslove

Next week in maths, Year 1 will focus on identifying patterns in multiples of 2, 5 and 10, and relate counting in 2s to doubling and halving. Reception children will revise and learn all the coins from 1p to £2.

During the next 3 weeks the children will design and make a garden in DT. Could you please send in a shoebox or something similar, (does not need a lid and not too big) with your child. If there are any problems with this please let us know and we will do our best to help.

Mrs Gibbins

You may have noticed our change to library book changing. This seems to be working well at the minute. The children choose one book at a time from the library and then return it when they have finished.

Next week in maths year 2 will be looking at money and year 3 will be focussing on column addition.

Mrs Pickles and Mr Wilkinson

Years 5 & 6: Whitemoor Lakes

- Please arrive at school at the normal time on Monday and come to the red door to put suitcases in the hall. The bus will leave at approximately 9:30.
- Remember that you need a packed lunch.

Year 4:

There is no spelling or maths homework next week or spellings or tables tests. Please use the time to finish preparing for Where in the World presentations for the week afterwards.
