

As I am sure you are aware we have had a visit from OFsted this week. They were inspecting all the school and therefore as a resource base attached to the school we were also inspected. It was a busy two days and we look forward to being able to share the inspector's feedback and judgements in the next 3 to 4 weeks once the final report is published. Many thanks to those parents that took part in the online survey and also sent in information to the inspection team.

On a different note a huge thank you to the Rotary Club providing transport and arranging Kids Out, it was an amazing day out and the children were amazing ambassadors for the school as well as having a really wonderful time.

This Weekend

Saturday Club is on tomorrow there will be swimming and lunch provided. We hope to see as many of you as possible on **Saturday 10:30am – 12:30pm**.

On **Sunday at 11am** there is also a community event at Hampset Cricket club that children are invited to as we have been part of an art project with a cricket theme creating decorated cricket bats. Details are attached with the newsletter.

One Night At the Palladian ~ 27th June

KS1 and KS2 children will be taking part in a performance at the Forum in Bath. We will be performing a song alongside other performing arts from different schools in the Palladian Trust. There is a letter that is coming home today and I would be most grateful if you could return the slip if you would like your child to take part. It will be a memorable night and a wonderful opportunity for the all our singers.

New Classes for September

Please find attached to the newsletter the new class lists. There may in some cases be a change as we are still awaiting additional children to be placed with us. If you or your child have any thoughts or concerns please do not hesitate to get in touch with us.

Barton Camp

We are looking forward to Barton Camp next week and a short reminder that on **Tuesday 18th June** parents of children taking part in camp can either send their child on transport or come in with their child to wave them off. If you are bringing your child in please bring them for 9:30am we will aim to depart by 10:30am.

Silver Class – The children this week have been taking part in a sensory story based around the Bear Hunt story. The children worked with the speech and language therapist to retell the story and also experience the sounds and feelings first hand.

Gold Class – This week the children have been creating instructional writing about making sandwiches. They have also been finishing their art project on space rockets which look out of this world!

Platinum Class – Have been escaping from King Bogg's Tomb! This was applying historical enquiry skills that they have learnt over the term. The children have also enjoyed a visit from two artists to work alongside them to create digital artwork using Pixlr to manipulate images and also a spray paint artist to create space images.
