

Parent questionnaire June 2019.

Thank you to parents who completed the questionnaire. We had replies from 33 families. The feedback about breakfast and afterschool club was very useful and many parents noted that they especially liked the school ethos, environment and caring staff. Many parents did note that they don't know how the school deals with bullying - we get very few instances as we generally manage to intervene and stop any issues before they become serious problems or bullying. I will however, put something together for a future newsletter about our behaviour policy which includes details of how we deal with bullying, when it does arise. In terms of changing things about the school, some parents did note that they would appreciate more verbal communication with the class teachers and improvement in ensuring that information is sent out in an accurate, timely manner. I will discuss these points with our staff. Thank you for all your feedback.
