Issue 31— 14th June 2019

Dear Parents,

Thank you to everyone who made the Science Fair such an amazing opportunity to share the wonders of the natural world. We had over 70 entries across the school, all of an extremely high standard. It was very difficult for me to make the final decision but the winners of each category are listed below - congratulations to them. I will be taking them to The Hampshire Collegiate School where they will be sharing their projects with the children there and then they will spend the afternoon engaged in science activities.

Today I spent a wonderful morning at Salisbury Cathedral with the Year 5 and 6 classes. This was the culmination of a 6 week project called 'Inspire' where the music teacher from the Cathedral School shared her singing expertise with us. The final concert was something to be cherished - well done children.

This was the last school disco for the Year 6 children - the first of many lasts. They all got dressed up to the nines and Miss Morland held a Mocktail Party for them. Thank you for the continued hard work of the PTA who provide these activities for the children.

Whilst I was at the disco I did a bit of corridor tidying. I have **30 unnamed** pieces of clothing in my office ready for collection - these include school trousers, jumpers, coats, PE kit. If it is not collected by the middle of next week I will donate it to our recycling scheme.

Next week we will be sharing our new vision pictures with parents - Mrs Smith will be sending out an letter today to provide you with the details. Please do pop into the school halls to take a look at the work the children have put into this new venture and take the time to have your vote.

Have a wonderful weekend - I hope it stops raining for a short while.
