

# SOUTHROYD SPECTACULAR

**June 14th 2019**

## **BIG TALK: How can we grow our resilience? How can we help friends, family and other people to be more resilient?**

In assembly this week we thought about real life and fictional role models we could look to, who might show us different ways of developing resilience—who do you know that you can talk about with your child to demonstrate resilience?

Our half term MindMate focus is life changes and how we feel about them - as we head towards the end of the school year and start planning for the next you can really help your child to reflect and celebrate what has been achieved and enjoyed and look forward to the new opportunities ahead.

It is also important to explore the power of change and how we need to champion change for the better and be Active Citizens.

Mrs Jobson introduces Key Stage 2 to teenage champions for change and Active Citizens like Greta Thunberg, Jack Andraka and Mallala Yousafzai. We hope to inspire the children not just to manage change well, but to be agents of change where it is needed. This leads smoothly onto next week's focus which will explore refugees and the resilience they need to adapt to change and to survive.

CRAZY ENOUGH TO  
THINK THEY CAN  
CHANGE THE  
WORLD, ARE THE  
ONES WHO DO."**

## **FATHER'S DAY BACON BUTTIES**

Don't forget Sunflowers and Bluebells children can come along with their dads and grandads to our Fathers' Day stay and play this Saturday morning from 9:30 to 11am in our Early Years.

This is a great opportunity for the Dads and men in our children's lives to play with their children in their setting - and our Forest Skills teacher Obie Butcher will be coming along to show you some fun stuff you can do with the children out and about .

## **CRICKET WORLD CUP**

The weather is certainly challenging our In school Cricket World Cup competition. However, we have enjoyed a really enthusiastic crowd and keen participants, with a lot of new children wanting to sign up!

So far the results have been good for Bangladesh, Sri Lanka, England and New Zealand, with one first round match still to play.

## **ART EXCHANGE - a chance to showcase your enjoyment of Art**

If your child would like to get involved please follow the link on our website, "Letters Home" page.

All entries should be brought to school by 5th July. The exhibition of their Art can be seen on 14th July and we will also put any winners and recommendations up on display for everyone to see and celebrate in September .

## **ICE CREAM FRIDAYS**

It's summer (really!) and so we are reintroducing ICE CREAM FRIDAYS !

Please buy from outside the community room doors after school. All proceeds go to school fund which is used to supplement the experiences we provide for your children—trips, special visitors and experiences, extra resources etc.

You can find a copy of the newsletters at

## SPIRIT ALIVE - Sports Day

Year 6 are very busy planning SPIRIT ALIVE for the school. Although this event isn't designed for parent participation you are able to watch and we know that some parents like to come along. So for diary purposes the dates are :

Wednesday 10th July Ks1  
Thursday 11th July Ks2

A letter from the children will be coming out soon.

## SCHOOL FAIR PREPARATIONS—Sunday 7th July

Now is the time to have a clear out—we will be collecting tombola prizes, books, filled jars, toys and all the usual donations for our fabulous summer fair.

We will be asking for volunteers very soon and getting ready!

## SUMMER FAIR DRESS DOWN DAY

Friday 28th June will be a dress down day in exchange for children bringing a gift for the fair !

## SECRET PROJECT!

Don't forget we are collecting 2ltr milk cartons for our secret project—please bring to the school office !

## REFUGEE WEEK REQUEST

We are also really keen to get everyone involved in this exciting project: see below

# World Refugee Day

Welcome everyone,

My name is Gosia and I am an immigrant as well as artist from Poland, and a Southroyd parent.

This is an invitation for you to take part in an art project relating to World Refugee Day, celebrated across the world on 20<sup>th</sup> of June 2019.

Everyone who wants to be part in this enterprise please draw and cut out:

- Heart shape
- Your hand shape

on **BLUE** paper

If you don't have blue paper, you can colour or paint white sheets of paper in blue. The most important it needs to be blue.

Please bring these shapes to school and hand them in to your teachers.

We will create a masterpiece from all hearts and hands you will bring.

How it will look like???

I will not tell you now 😊, first we will need to finish it together.

Gosia

## BOOK FAIR

The Book Fair is in school next Tuesday 18th and Wednesday 19th June.

This is a great opportunity to inspire your child's reading—especially ahead of the long summer holidays.

All books purchased bring in commission for school and all commission is spent on buying more books for the children to read from our libraries in school—so please support us ! Thanks.

## READ TO SUCCEED

Remember the messages about the importance of home reading—you can look at the website page for more details.

## **PUDDING RECIPE**

Don't forget School Council are encouraging children to make their own desserts for their packed lunches so they can have the same range of sweet things that school dinner children have.

David Tomlinson has asked for the recipe for one of his favourite puddings in school so he can have a go at making it.

Apologies that in the brownie recipe posted previously the flour was missed off—well spotted to the bakers who reported back ! The recipe has now been rectified and is on the website.

## **NEW PARENT GOVERNOR**

We would like to welcome Mark Tarver as a new parent governor, who will shortly be working with us in the Governing Body. Here is a little information about Mark.

*As a parent of a school aged son I am interested in understanding how a school is run, issues that they face and be able to assist in the progress of a school to ensure the children attending receive the best possible foundation for their education career.*

*I am a keen table top game enthusiast, board-games and miniature games and I am keen to explore the use of games as learning aids. In an ever-increasing digital age I feel it is important to have a way of socialising and learning through physical interaction – games enable this and I am keen to see if I can help guide a school into looking into the use of games for learning.*

*As well as gaming I am a re-enactor for The Clarence Household, we specialise in the War of the Roses and by being part of the a living history group it has given me a passion for knowing our history and showing parents and children alike what skills and life was like in our very own history.*

*In my working career so far, I have had the opportunity to lead large projects and manage a number of people. This has given me a valuable skillset in being able to understand a bigger picture and see how seemingly smaller and disparate decisions can impact a wider longer term level. I believe that being able to apply a wider understanding of decisions and being able to analyse the impact will allow me to understand how a school is needed to be managed and able to contribute to guiding the direction the school wishes to take through short term goals and mapping that into a longer term plan to ensure the school is operating at the highest level for the children*

## **REFUGEE WEEK—BIG TALK NEXT WEEK**

Next week is Refugee Week in school, with the international day of refugees on Thursday, 20th.

Our Big Talk question will be, “How can we support refugees in the UK?” We would like you to think about what refugee actually means and think about some of the reasons why refugees have to flee from their countries.

In school we will be holding lots of activities to develop some empathy and understanding of the huge challenges faced by refugees. As well as using some excellent literature about the life of refugees, many children will be involved in discussions and activities, including building our own shelters and trying to imagine what it would be like to live in such a place.

Mr Dimery, vicar from Pudsey Parish Church, will be coming to talk to school on Tuesday to tell us more about his direct experiences working with a number of refugees.
