EYFS – Red, Year 1 – Blue, Year 2 – Green, Year 3 – Purple, Year 4 – Yellow, Year 5 – white/silver, Year 6 – Orange/Brown

Healthy Schools Week

Did you know that it is Bike to School week in June? Therefore, we have organised a Healthy Schools Week at Roach Vale on 24th June-28th June to tie in with this. Bike to School Week is a time for inspiration – helping pupils and parents/carers across the UK kick-start active travel habits and switch to cycling, scooting or walking for the school journey. Why don't you involve the whole family, set daily activity targets, track your journey and compare results with each other? We will also be holding a variety of competitions during the week to encourage the children to make healthier choices. Each child that takes part in 'Bike to School Week' by either riding their bike/scooter or walking to school, will receive 10 house points each day. At lunchtimes, pupils will be awarded house points/stickers if they have a healthy lunchbox that includes fruit, vegetables and/or salad; and our children who have school dinners will be awarded the same for choosing and eating from the salad bar. The Change4Life website has some brilliant free and fun recipes on the website to get new lunchbox ideas. With all of this combined we hope to have a healthy and active week. Thank you for your support.

Bake Sale

Thank you to everyone who supported our delicious bake sale last week. We had so many tasty treats to choose from and managed to raise £81.00 towards reading books.

Birthday greetings go to:

All of our pupils who have celebrated their birthdays this week. **Happy Birthday to you all.**

Egg Hatching

We are really excited to have had some new arrivals in school this week. On Tuesday we welcomed six grey partridge chicks that have been scratching and chirping away outside Year 3. We have also been eagerly waiting for the duck eggs to hatch and have spent lots of time talking and even singing to the eggs to give them some encouragement. We are proud to say that Roach Vale is the home to six healthy and happy little ducklings! Welcome to the world our feathered friends!

Fathers Day Lunches

Happy Father's Day to all the amazing Dads, Grandads and male role models that our children have. We have enjoyed welcoming you into school to share lunchtime with your children. We are glad you enjoyed a trip down memory lane eating your lunch in the school hall prepared by our fantastic kitchen staff. It meant so much to the children to have you with us and we wish you an enjoyable day this Sunday.

Advertising Boards—Summer Fayre

For those of you with a good memory, you may recall that last year we advertised our summer fayre using advertising boards outside people's houses. We would like to do this again this year and are looking for some willing volunteers to put up a board, sponsored by Revells, outside your house to promote our Summer Fayre. For every board displayed, the school receives some money towards its fundraising efforts. If you are interested, please pop into the school office to let Mrs Penwill know or see Mrs Gasson on the playground. Thank you.

I can, You can, We can... Achieve.
