

AN UPDATE FROM MRS FITCH AND MRS STACEY

What has happened to the weather this week? Monday even saw ducks on our school field – that's a first! We've included a photo above for you to see. Fingers crossed the weather brightens up for the Summer Fair tomorrow.

SURREY SATRO - This week, Year 5 welcomed Chris B, Hugh N and Sarah W (parent to Charlotte, Year 5) from Surrey SATRO. They delivered a really exciting and engaging workshop all about sustainable energy. Some of the children's comments about the workshop included: *'My favourite was the trading game because you had to spend your money wisely and it made me feel like I was in a business working in a team'*; *'Today I've enjoyed doing the carbon dioxide ball activity and I've enjoyed the bucket quiz'*. Chris and Hugh sent a lovely email and their feedback included, *'Boxgrove School gave us a warm welcome with very engaged pupils and teaching staff, working together throughout the workshop...days like this are the reason Hugh and I developed World of Energy workshop and thank you for taking us and the SATRO volunteers to your hearts for the day'*. On behalf of the staff and children thank you Chris, Hugh and Sarah.

We would also like to extend our thanks to Mark Brett-Warburton (pictured above), Surrey County Councillor who, following a bid placed by Mrs Rudall, funded the workshop. Mark has funded several initiatives at Boxgrove over the years and it makes a huge difference, especially in the current economic climate.

CONGRATULATIONS – PROUD MOMENT - We wanted to let you know about a fundraising achievement. Thomas (Y4) and Ethan (YR) over half term independently raised money for two charities. Thomas and Ethan sold home-grown herbs and decorated cakes, inviting neighbours and family to buy them. Both boys worked hard to prepare for the event, including writing invitations, designing and creating bunting, and setting up their stall etc. The day was a great success and raised a total of £92 on the day for WWF and Cancer Research. Other people have since been so impressed with their idea and added to the fund and they have now raised an amazing £500 in total. Well done Thomas and Ethan, you should feel extremely proud of your achievement.

FINGERS CROSSED FOR OUR GIRLS SWIM TEAM AT THE ESSA FINALS IN SHEFFIELD - This Saturday, five of our girls from Year 5 and 6 will be representing Boxgrove at the English Schools Swimming Association (ESSA) finals in Sheffield. You may remember the girls won the Surrey heats to gain their place at the finals in Sheffield back in May. We are sure you will join with us in wishing Daisy, Isabelle, Lili, Scarlett and Tegan every success in their races. Mrs Stacey, Mrs Wanstall and Mrs Gurney will be joining the girls, along with their parents and we will all be supporting them via our live link (1:45pm) at the Summer Fair. Don't forget to stop and watch. Come on Team Boxgrove.

BOXGROVE BPTA SUMMER FAIR – We look forward to sharing our Summer Fair with you all tomorrow. Thank you in advance to everyone who will help set-up, man the stalls, count the money and then clear away at the end of the day. Without all your help, the day would not be the success that it always is. We would also like to thank our Summer Fair team who have been working hard behind the scenes for many months – on behalf of everyone at Boxgrove thank you Katie, Lisa, Rachel, Sabine, Sam, Tracey and Zoe.

DON'T FORGET TO FIND THE STALL TO BID FOR ANY OF THE BELOW

SILENT AUCTION PRIZES 2019	
Bids close at 3pm on Saturday 15 th June. Winners will be called by the latest Monday the 17 th .

Walk to school
- Friday:

UPDATES FROM THE CHILDREN/CHILDREN CENTRE

KEY STAGE 1 / Children's Centre

Year 1

Year 1 have had another really busy week! They have been working hard to complete their 'All About Me Booklets'. They have enjoyed creating their masterpieces outside, inspired by Andy Goldsworthy. In Maths, we have been looking at lots of different things including weight, length and capacity. The children had fun giving each other instructions to move using clockwise and anti-clockwise turns. All of the teachers are really proud of the character descriptions the children wrote about Wallace from Wallace and Gromit. We were thrilled to see the children using amazing adjectives and conjunctions to make their writing exciting. We are really looking forward to the Brighton Sealife trip next Tuesday.

KEY STAGE 2

Year 4

Year 4 have started a micro topic this week all about Australia. We have been locating Australia on our world maps and looking at its geography. We have discovered more about the Aboriginal people of Australia and had a go at creating our own Aboriginal artwork: telling a story through pictures and symbols. On Wednesday, we found out about some of the animals that can be found in Australia: watching deadly 60 and producing our own top trumps cards based on Australia's most deadly animals. We conducted some research of our own about an aspect of Australia that we were interested in and produced an information poster for the rest of the class. We're all very excited about our trip to Henley Fort next week and can't wait to get stuck in!

YEAR 6 PUPILS - WHATSAPP

It has been brought to the attention of the Year 6 teachers that over half the year group are currently using WhatsApp. **The legal age for using WhatsApp is 16.** They have had a number of issues concerning racial and homophobic language being used as well as sharing inappropriate videos. There were further issues with the app that were being discussed but no one seemed to want to disclose what the issue was. Please could we ask for your support in talking to your children regarding the sending of inappropriate messages, and maybe consider removing the app from their devices to avoid any further distress to pupils. We also advise you to regularly monitor what your child is writing, sending and looking at on their mobile devices.

MESSAGES FROM THE OFFICE
