CHANGE IN CHAIR OF GOVERNANCE

Dear Parents and Carers,

I am writing to inform you that, after years as Chair of Governors and 19+ years working as a governor at Clipstone Brook, I have decided to retire.

Throughout my time at the school, I have been fortunate to work with many wonderful people, brilliant teachers and amazingly talented children. It was a privilege to be Chair of a wonderful school and I will miss working with such a great group of staff, parents and children. I have every confidence that the Governors and Headteacher will continue to make the school a great place for pupils to learn.

I am delighted to inform you Laura Winton has been appointed as the new Chair of Governors. Laura is an experienced governor with a solid association with the school. I am sure that you will give her all the support you gave me and to continue to make Clipstone Brook the best school in Leighton Buzzard.

Angela Luker

MESSAGE FROM NEW CHAIR OF GOVERNANCE

Dear Parents and Carers

Firstly, I would like to thank Angela for all that she has done for the school as Chair of Governors. She has put a lot of time and energy into the school, and I know that everyone on the Governing Body, including myself, would like to thank her for everything she has done.

I'm pleased to be the new Chair of Governors for Clipstone Brook. Some of you may know me as a parent at the school and I have also been on the Governing Body for over 3 years now. Our role as Governors is often described as being a 'critical friend' to the school and I'm proud to be a friend of Clipstone Brook. During my time so far at the school, as a parent and Governor, I've seen just how dedicated the staff are to delivering the best for all the children, and we are lucky to be supported in this by parents and carers, the CBA and the wider community of the school.

I look forward to working with you all to continue to see Clipstone Brook grow and thrive.

Laura Winton
