## Weekly Message

Well done to our Year 1 pupils who have sat their phonics screening tests this week – you have all been amazing. Also well done to the children who took part in the Rounders tournament on Monday afternoon despite the bad weather!

Orders for the Year 6 Leavers Hoodies need to be received by no later than Friday 21<sup>st</sup> June.

Please can I remind parents and carers that the drive and car parks are for the use of staff only. Please do not use these at any time.

**NURSERY** The Otter Children have enjoyed reading the story of 'The Bad Tempered Ladybird'. They have been doing lots of lovely ladybird themed activities. The children really enjoyed making their own clocks and worked really hard when using the scissors to cut their numbers out.

**YEAR 1/2** This week the Year 1 children have completed their phonics screening checks so a big well done to all for your super reading! We have all produced wonderful shape poetry about minibeasts and are looking forward to a visit from Zoolab who will bring animals in for us to handle on July 8th - a morning not to be missed! In maths we have completed our learning on 3D shapes and can describe them using the correct vocabulary - edges, surfaces and vertices.

In PE we had to stay in the hall because of the rain but completed circuit training using many new exercises. Well done to Rosie and Taylor who were awarded certificated by the coaches.

We would appreciate any donations of shoe boxes for a science project.

**RECEPTION** Panda Class have worked very hard on their sentence writing this week. The children have been trying hard to apply all their hard work from their phonic sessions in their writing. The children have been retelling the story of Jack and the beanstalk and have also been working hard in PE ready for Sports Day.

**YEAR 3/4** We will be taking a class trip to The Yorkshire Wildlife Park on the 5th of July to consolidate our learning on the environment and animals in captivity. We have booked a workshop and we are all looking forward to a fantastic experience.

The year 4 children will be completing the online Multiplication check the week after next so please keep practicing at home and using Mathletics and TT Rockstars.

**YEAR 5/6** We have been hard preparing our playscripts for Oliver! this week. Who knew we had so many budding actors in the class?

In Maths, we have been continuing to look at algebra and Victorian-based problems. Our class are experts on the 19th Century.

We are working hard on our playscripts in Gorillas class - if you have any old uniform or spare costumes please can your child bring them in? They will come in handy for our performance. Thank you.
